**Sexo:** Macho  
**Edad:** 8 años y 7 meses  
**Raza:** comun europeo  
**Tamaño:** Mediano  
**Localidad:** Ayamonte  
**Salud:** Portador de Inmunodeficiencia felina.

**Descripción :** Felipe.

Lamentablemente sus dueños lo dejaron abandonado en el cementerio de Isla Cristina con un saco de pienso.

No tiene uñas porque se las han amputado, es un gato super cariñoso, le gustan mucho las caricias, se lleva todo el tiempo amasando y ronroneando.

Parece que su antigua familia lo enseñó a jugar con las manos y el pobre es un poco bruto jugando.

El ahora debe aprender a jugar con sus juguetes y con las personas.

La verdad es que es muy doloroso que hayan hecho esto con este pequeño.

Perfecto para una casa con jardín o un piso.

FELIPE,

With his unique, one-of-a-kind striped and white markings, beautiful Felipe made quite an entrance when he first entered the shelter. Unfortunately, his previous owners dumped him at the cemetery of Isla Cristina with just a bag of food.

Luckily, we found him in time and Felipe is now one of the handsome Young Dudes at the shelter.

Felipe has no nails because his former owners had them removed. It seems that they taught him to play using his hands, which

makes his play a little rough.

Now, Felipe is learning how to play with toys and with people. It is hard to see

how much this sweet soul has suffered. He is a super affectionate cat, crazy

about cuddles and caresses, and he takes his good time purring and kneading your legs or tummy.

A house with a garden or an apartment would be perfect for Felipe.
